I don't really know why that is, but gray is the only color I've known the sky to be.
Long before I was born, the sky stopped being blue.
It's the train to the city.
Man, it'd be so much easier if we could get a ride on that.
I guess. But still,
but that has nothing to do with vagrants like us who have no place to call home.
It is the fastest and most luxurious way to travel.
Looking at that train makes me think back.

Kick-Ass?
Or Just Ass?
When we were all in Damin City!
Back to when we met.
Now it seems as if people only live for themselves.
Before he died, my father told me that the world was a lot bigger than it used to be.
And so, so-called "countries" disappeared and people lost the places they could call home.
Thanks to whatever it was that covered the sky, radio waves stopped working, and humanity lost its ability to communicate easily, losing a lot of knowledge in the process.

Get up, you little punk!
When did I get knocked out...?
Ow, my head... Where am I?

Wait... Are these weapons...? This place is full of them...
...What is this place?
Are you with the Lost Eagle Nest?
Or are you part of some other organization?
...A warehouse?
Answer me.
I don't even know what you're talking about!
You need to learn some manners.
Do I look like I'm part of some big organization?
Lost what...? Huh?

As far as I know, you're the only one who's ever lived after being thrown off that train.
I found you naked, caught in the bridge to Damin.
Do you know where my stuff is? I had something very important to me.
Oh!
Oh... They caught me bumming a ride and must have thrown out all my stuff.
What reason does an idiot like you have to go into the city?
It's no place for little beggar children like yourself.
I'm afraid I don't, but I'm the one asking the questions here.
Oh, but before we continue this, I have one thing to say to you!
Do you want to get in too?
You sound pretty high and mighty talking like that... The only way into Damin is the train.

THANK YOU FOR SAVING ME!!
MY FIRST NAME IS JIGA, LAST NAME KIRISHIMA!
I HAVE NO FRIENDS OR FAMILY, BUT I'M LOOKING FOR MY LIFE PARTNER...!
I'LL BE SURE TO FIND SOME WAY TO PAY YOU BACK!
I don't really know anything... I just heard that Damin has all kinds of women with all kinds of ancestry.
What are you going on about?
Tell me everything you know about the train. Now!
So I hopped on the train to get in!
Are you serious? Without even making any kind of plan..? I don't believe it.
You are a true imbecile.
Aside from the ridiculous prospect of looking for a woman in a city known for its prostitution.
There's no guarantee you'd find who you're looking for.
And even if you did, I think you might be disappointed.
Hah! The kind of person I'm looking for isn't like the women you know!

But stop being so negative all the time!
I've never been wrong about anything in my life!
I can always tell when someone's lying.
so I know that you're lying right now.
Hmph... Luck is an unreliable mistress.
She'll stab you in the back when you least expect it.
My ancestors are watching over me!
They're the divine wind that helps me succeed!
Also... I hate liars.
Oh...? About what?
That's not really you!
Show me your true face!
You must be somewhere over there!
WRONG.

NICE TRY, THOUGH.
Huh?
I think I'm done with you.

This garbage shoot is a long drop down.
300 meters, in fact.
There are also a few branching paths going down, so you'll never find this place again.
Wait!
Stop!
What are you doing!?
The time I spent on this moron was a complete waste.
Man, it's been two and a half months since I started gathering information on Damin.
What!? What are you doing with me!?
I still have so much more research to do.
I can't let anyone in Damin find out about me.
Ouch.
Ow.
Listen, punk.
maybe you'll survive this too.
If you're so lucky all the time.
But hey
Aaach!
I can't believe you haven't managed to kill yourself already..
Hm.
Ahhhhhhh
300 meters!?
It's hard to believe he saw through my decoy.
Maybe he's not completely worthless.
Still -
Argh, what a waste of time.

AGH!!
Sorry, Shishi-My!
But... he left himself open!
But I win this round!
Geez, what an asshole
That was crazy...
He must have been a demon... He looked like one of those ancient Shishi-My lion dancers...
My father always said you shouldn't take things from others.
But I'm only borrowing it!
It looked like he was taking real good care of this thing... so it must be a map into Damin!

I'll be sure to give them back the next time I see him!
Jiga Kirishima never lies!
THAT SON OF A BITCH!
This is the thanks I get for saving his life!?
When the hell did he take them...? My map and gun aren't here!
But if he gets caught then the Bodyguard's Guild of Damin will find out about me!
I have the map memorized... That's not the problem.
But no, there's no way my magnificent plan could be ruined so easily...
But there's still a chance he's alive, no matter how minuscule...
That was a 300 meter drop!
No, calm down... He has to be dead by now

I should have just killed him!
ARRGH!
I CAN'T STOP THINKING ABOUT WHAT MIGHT HAPPEN IF HE'S ALIVE!
Whew -
Well, that was fun.
Bio-rats biting me, and it was too dark to see the map...
DROP
Oh!

It's incredible!
So this is Damin!
CLUB ANGELIC PARK
Go see a doctor, then maybe we can talk!
I-I sold a rare antique to Boss Man, so I'm loaded!
Do you know what'll happen if you mess with me!?
LEAVE ME ALONE!
...Is that a no?
Fine -
J-Just give me one go. We can do it outside if you want.
I have money.
Aww, c'mon, give me some sweet stuff, Spica.
It's been so long since I've been in Damin.
This isn't like anything I've ever seen in my..
!?

I DON'T MIND SCREWING A CORPSE IF I HAVE TO.
STOP RIGHT THERE!
Adults should know better than to act like that!!
Let the girl go!
Hey kid, you're gonna get me killed here!
Ew, that's freakin' gross!
Don't worry.. She'll still get plenty of love from me even after I kill her and stuff her..
I'll love her every day!
EEK!
You want Spica too, is that it..?
What!? Who the hell are you?
Hey, wait..
..?
I don't care what you say..
Be a man and play fair..
Dammit.. you coward!

How are you still alive..?
You were thrown outta the train.
And for that matter, how'd you get into Damin?
You were on the train..
Gimme my stuff back!
You're wearing my clothes!!
Gahaha. Or what, you'll shoot?
Hm?
THE SECOND BULLET I'VE FIRED IN MY LIFE...
2発目
You think I won't !?
Hur hur hur
You won't hit him!
Don't do it!
If I shoot,
there's no way I'll miss.
Consider yourself the victim of the second bullet I've fired in my life!!

TAKE THIS!
GAHH!
ゴロゴロ
...
...
...
PUB
...You missed.
Let me show you the proper way to kill a person!
AH!
HEY, KID!

GFH!
WHA?
WOW. YOU DID IT!
Heh heh heh...
...
?
I guess I did -
Hunh?

NICE ONE, KID!
Whoa.
Damn.
Did I do that!?
"Nice one...?" What are you doing?
COL-LECTING MY DUES!
Hey this guy's got a lot on him!
Gaahhh!
What the hell!?
This jerk likes to play rough and he hurt one of my friends! He had it coming!
Yeah. well, this is how we do things in Damin!
City folk are scary
You're more devious than you look.
Whoa

All right... let's get out of here.
I like you, kid! You're a vagrant, aren't you?
You listening?
Mwahaha Time to pay you back for takin' my stuff!!
Now you'll know how it feels to have nothing but your underwear!
My name's Spica! Come with me! I'll give you a place to hide.
Why? What's the problem?
Are you stupid!? After all that noise and destruction...
you'll have more than just the Bodyguard's Guild to worry about.
Who knows who might be after you now!
Don't tell me... that little punk did that...?
No way... I don't believe this...
If he gets caught... Damir'll ramp up their defenses again.
and my plan will be ruined...

but it looks like I'm gonna have to get violent!
I'm not as prepared as I'd like to be.
SAY AHHH!
AWWW, HERE YA GO, KID.
あーん
I'm done!
Could you even taste it!?
Making it for you!
I worked so hard
Hoo, boy.
もぐもぐ
ぱくぱく

Hm?
I don't know what kind of life you've been living up until now,
but you should give that up.
He's covered in scars...
Kid.
It was good, and you let me use your bath, too.
I'm really grateful, Spica!
It sounds like the boss of the Bodyguard's Guild has what you're looking for.
but I heard he's moving some of his collection to a different city...
So it's probably not even here anymore.
You might as well just give up...
No, it's still here!

You know it's still here, don't you!?
Lies don't work on me!
Don't lie to me, Spica.
...What?
...Listen kid.
To get into the city you either need to pay for a ridiculously expensive pass or become a servant to someone in power.
You'll get killed for sneaking in.
I used to be a vagrant like you.
You should just take this chance and get out of Damin while you can!
Spica! Please, just listen to me!!
You're just gonna die if you don't!

What I lost is more important to me than my life!
They're the spirits I inherited from my father! Just trust me!
...
...
PLEASE !!
Sure ..
Boss Man is real greedy He steals treasures from people and puts them in his fortress, which he calls a museum.
A lot of people have tried to break in.. but they always get caught by his men.
He lives on a big hill because he thinks he's so impor-tant..
and he looks down on people like us who are too low to see the sky
So just -
I got it!
I'm not going to die!
All right.
In that case_

LET'S DO SOMETHING WE'LL REMEMBER BEFORE YOU LEAVE!
It's payback for saving my life!
AAR GH!
A power outage.
OKAY, KID!

Look over that way! It's on top of the cliff... You can see the lights, can't you!?
That's Boss Man's private museum.
What's going on over there...? Sounds like a battle... Some other town probably attacked again.
But that means...
That means this is my chance.
Oh, baby!
NOW GO!
TIME TO GET BACK WHAT'S MINE!
This is the third floor!
ヒュー

More of them!
The closer I get, the more dead bodies there are...
They must be the bodyguards.
What happened?
Is there someone else who's trying to get up there?
He sure made short work of these guys.
I WONDER WHAT HE LOOKS LIKE.
NOW I'M EXCITED!

Huh?
It's the same up here.
No, stop it!
Aim at the intruder, you idiot!
I paid too much to receive service like this.
Who's that?
ARGH!
I don't like this fellow one bit... Do these cyborgs not understand the value of cultural treasures!?
THIS IS START-ING TO PISS ME OFF!

YOU'RE ALIVE!?
So it was you!
おっ
YOU STUPID-ASS SHIT-HEAD!
What was that for!?
Look at the shit I have to go through thanks to you!!
YOU ARE NOT BAD WE MIGHT BRING DOWN THE WHOLE BUILDING AT THIS RATE
HEH! HEH! HEH!
WHAT THE!?
Ah!
You!

Oh, right!!!
I'm sorry! I'll give these back to you!
I got good use out of them. Thank you.
I'm not talking about that!!
You messed my map up anyway!
My original plan was not to act until their defenses were down. They even have a heavy cyborg right now, so this is a lot harder than it had to be.
THIS IS WHY I HATE GOING IN WITHOUT A PLAN!
I THINK YOU ARE FORGETTING SOMETHING.
This is all your fault!
Gah!

He got me good!
Oh, dammit!
Damn.
Look at this! This is your fault!
Arms and legs don't come cheap!
What?
If you mean that, then I'm so sorry!!

I don't think I like this leg. It's too slow.
ow!
ow, ow!
ow!
I wasn't expecting this! I don't have anything good to use against a heavy cyborg!
But I wonder...
if this'll get the job done!
Guess not...
Yeah, of course it wouldn't work against a battle cyborg from Mechanoid City.
Armor's too thick.
Two shots of 00 buck won't get through.
This isn't going to be fun.

DIE.
ARGH!
THE BUILDING ITSELF IS A TREA-SURE, TOO!
ARRGH, STOP IT!
<^0^>
Shishi-My!
I BLEW YOUR ARM OFF.
HA! HA! HA!
Who the devil are you!? I'm a little occupied at the moment!
You have something that was taken from me! Give it back!
I don't care! Give it back!
Hey, grampa!
You're the Boss Man, right?
Do you know what I went through to get all of this!?

If I so command them, all the body-guards in Damin will come up here and--
Shut your trap, whelp! Do you know who I am!?
I told you to give back what belongs to me.
Hey.
Hng?
I DON'T CARE WHO YOU ARE!

How do ya like that..? It's a zudo technique.
THE ZIGOKU GHUL-MAH!!
A TRADITIONAL ATTACK OF THE NHONIANS!!
GRHAGH!
He's not moving..
Uh-oh..
Maybe I overdid it a little..
..Hey, boy.

This is yours, isn't it?
...
...
!!
Yeah, this is it!
It's been passed down through the Kinshima family for generations...
THE SACRED OROCHI-MARU!!
It's so good to have it back! Now I won't bring shame to my ances-tors!
I'm happy for you.
...
...
...?
Hey.

I just quit.
But.
yes. I can do it.
Can you really do this? Aren't you Boss Man's mistress or something?
That's what you look like anyway
Yes.
You're definitely not lying...
?
HEY, BOSS MAN.
!!
YOU DID NOT SAY THERE WOULD BE A COMBAT CYBORG.
I USED MUCH MORE AMMUNITION THAN I EXPECTED.

Divine wind...
What a joke.
I BETTER LEND HIM A HAND.
Is he still going on about that?
Man
Just try it... I've never seen anything that Orochimaru couldn't cut!
MY DIVINE WIND IS BLOWING!
THAT MEANS IF I KILL YOU I WILL PROBABLY GET A BONUS.
WHAT? BOSS MAN?
I EXPECT TO BE COMPENSATED.
FINE.
DID YOU KNOCK HIM OUT OR SOMETHING?

!?
I know you've got good armor, so it'll take more than some junk arm to do the trick.
WHAT !?
I know you had something hidden under that hat.
Is this an old scar?
WHAT !? WHERE ARE YOU!?
WHAT IS GOING ON!?
I want to keep it in good shape, so I hate to use this...
HEH... DON'T BE RIDICULOUS...

But with this arm, it doesn't matter how tough your armor is.
I CAN BREAK IT!
VRGH ...

!!

Waaahh!
WHAT THE!?
That was annoying.
ゴッ
Sigh -
キィィ
Whatever... It's not like I'll be able to operate at my full potential with junk parts like these anyway.
And this combat suit already weighs over 200 kilos when it's fully armed, so I guess it'll lighten my load.
Dude, you're awesome!
スルスル
WAIT,
WHY DID YOU PUT THAT THING BACK ON!?
It's all worn out and busted up... What's the point!?
フフフ
ドルッ
It helps me calm down.
Who's that?
She's got flowers all around her
I don't really know...
You'll be in trouble if anyone comes to see what's going on.
but you two should get out of here.
Hey... Sorry to interrupt.

...?
!?
キュキュアアア
M-Master Khamsin sir!
Can't you drive a little more carefully!?
Ahh, you messed it up even more!
I'll pay for the cleaning.

...
...
Who's that?
He's... a hawk. He's danger-ous.
Let's go.
Huh ?
Okay.
What are you gonna do, Shishi-My?
We have to get out of here.
But you put a dent in it!
What happened here?
Looks like I missed a hell of a party.
I have not yet found...
what I came to Damin for.
After I kill this asshole I'll take more time to con-tinue my search.
We will not meet again. Now go.
Okay- Take it easy, man!

PUB
PHARAOH
LOUNGE
Whoa!
All the lights are back on!
Beautiful, aren't they?
Hey, so, uh.
How did you know this khtana was mine?
That's a secret.

AGH!
ゴゴゴ
ん～～～？
...？
What happened, Shishi-My?
...
...
...
What？
I admit defeat. I'm withdrawing for now.
Well, uh, the guy's a total monster...
Really? That pretty boy's that good, huh?
I just don't have the right guns and ammunition... I need more equipment.
I don't think he was even human.
Hmm -
...
...
...
You lost because you don't have enough limbs?
Yeah, that should do it!
I just need 10 MORE ARMS AND 10 MORE LEGS, then I'll be able to take him no problem!

makes me feel...
Yep thinking back to then...
PISS OFF!
All the equipment I'd been preparing for two and a half months is gone thanks to you!
What did you say, you broken old cyborg? Don't blame me because you can't fight!
Don't think I've forgotten how you threw me down that garbage shoot!
I thought I was gonna cry!
And now we have to sneak back into Damin again!
Come on guys, that was two days ago...
Shut up, Fay! THIS IS A BATTLE BETWEEN MEN!
YOU STAY OUTTA THIS!
ALL RIGHT THEN.
We don't need to worry about that stuff anymore, do we?
Zisoku Ghul-Mah!
Whoa!?

死んでねーよ!!!
WHAT THE HELL DO YOU THINK YOU'RE DOING!?

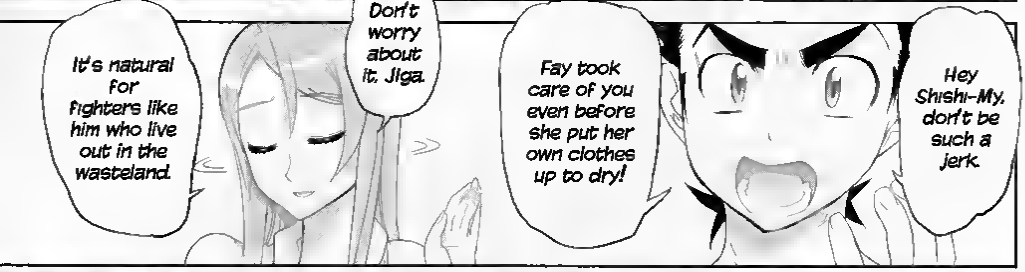
what's our current status?
So.

I don't remember what happened...
コキ
コキ
We got out of Damin and now we're back here.
I guess it must have been because of that water we crossed, but you passed out right when we got to your secret base.
You really don't remember?
So that's it...

はっはっは
I just thought it was weird that my feet felt so warm!
But you guys had to dry your clothes so don't worry about it!
thanks to that jerk with the long hair...
I think... I remember now... I took more damage than I had expected ...
NOT !!!
DON'T GO START-ING FIRES IN MY ARMORY !!!
!
?
This arm...

You have a very unusual structure.
It's nothing special, but I tuned up one of the parts you had lying around here and attached it to you.
Who are you?
...Tell me.
My speciality is the human body,
but I'm also good with cybernetics.
In the future --
I'm Fay.
Fay Humming.

DON'T TOUCH MY BODY UNLESS I TELL YOU TO.
So you're a doctor, a scientist, and Boss Man's mistress?
Why did you come with us?



Hey Shishi-My, don't be such a jerk.
Fay took care of you even before she put her own clothes up to dry!
Don't worry about it, Jiga.
It's natural for fighters like him who live out in the wasteland.

BUT I DON'T CARE WHAT HAPPENS. I WANT TO STAY WITH YOU GUYS.
IT'S SUCH A RARE OPPORTUNITY.

じ り ・・・・

Don't you think there's something fishy about her?
I don't know.
What's that woman's deal?
Hey, guys.
Hey, what's wrong?
ひそ ひそ ひそ ひそ
Hey, guys.
やあああ
Are you stupid!? Just look at those mischievous eyes! She's obviously a fraud!
…
…
…
I dunno, she doesn't look so bad to me!
はは…

What are you doing!?
Now you've seen for yourself. I'm just an unarmed woman. Do I still seem dangerous at all?
If there's anything you want to know about me, just ask. I'll tell you everything.
I'm sorry for examining you without asking, but... you look like you're overdue for some maintenance.
The only parts of your body that aren't broken are what appear to be your original parts.
All of your replacement parts are a little messed up.
You can't operate at your maximum capabilities the way you are.
...Okay, I guess you do know what you're talking about.
Oh, God, so hot
But I've made it this far fighting with these parts.
Mechanical bodies are strong, but like human bodies, repairing a broken one isn't always easy.
I think you could use a skilled technician.
I had one.
But I... still can't trust you.

Hey.
You're looking for the original parts you're missing, aren't you?
I've seen a black shiny part that looks like the rest of your body before
...Special cyborg parts like that sell for a lot.
!!
I knew I'd find something in Damin!
Where did you see it? Was it an arm or a leg?
I just remember being told how expensive it was... so I don't really know.
I mostly just remember it because it was in a big case.
...I need to go back.
You're going back to Damin?
Yes, but this is my own problem, so I don't need you tagging along.
I'll go too!
Didn't you hear what I just said!?

I still have to thank someone for helping me!
She gave me lodging and food, and she's the only reason I got Orochimaru back!
Well then!
I'll go too. I left all my things behind.
SPICA
AMARGH!
Just stop it!! Why do you care so much about an old sword anyway!? I bet you couldn't even cut butter with that thing!
It can cut way more than butter
Don't underestimate this sword.
I never lie.
so I'm not lying when I say that there's nothing Orochimaru can't cut!
YAH!
Don't swing that thing around. You'll hurt yourself.
Ah!

See for yourself.
There's nothing...
Orochi-maru can't cut!

What?

I guess I cut too much.

TWO AND A HALF MONTHS OF WORK, GONE IN AN INSTANT...
Dude, look at that destruction!

just seems like_ it might be made of the same material as your body.
My lost parts beckon to me.
It's time to go.
Maybe I really was thinking too much_

...but are you with the LEN?
...Forgive me for asking.
...What if I am?
Will you... kill me?
Actually.
